

THREE HUNDRED MILES A DAY.—The splendid steamboat Erie, Captain Titus, returned from Chicago on Saturday last, with a large number of passengers and three hundred barrels of flour and pork. The run of the Erie on this occasion, is worthy of record. She left Chicago on Tuesday morning at half past nine o'clock, touched at ten intermediate ports, took in passengers and wood, and arrived here at forty-five minutes past two, on Saturday afternoon, thus running the trip of 1,200 miles in 4 days.—*Buffalo Daily Journal.*
